No class Victoria Day, May 22

Preregistration deadline: April 10

General Registration Opens: April 17

New Student Registration: Physiotherapy assessment required (billed separately). Call or email to register, pay and schedule an assessment. Class payment is required upon registration

Returning students: Register with your teacher, or call/email Tracey. If you have a credit card on file it will be charged upon registration. Other payment options: call in credit card number, pay online through Jane account, e-transfer, pay teacher at studio.

Switching classes (for current registrants): Class transfer requests are to be made to your teacher at the studio and will be confirmed once the teacher knows if space is available in your preferred class. Please make request during pre-registration period.

Refund policy: No refunds within 10 days of (before) session start date.

Missing classes and Make-up classes: You are invited to Zoom into two make-up classes within the term. Our zoom link is the same for all classes, so please save this. You do not need to let us know if you are missing a class or joining for a makeup. Please do not cancel your PhysioPilates class "appointments" online. If you won't be making it to class, your teacher will simply mark you as not attending

PhysioPilates and Private Insurance: It is up to each student to check with their insurance provider to see if you're covered for "group physiotherapy". Insurance receipts are found online on your Jane account at the end of the term.

Health Policies: Synergy health and safety policies are subject to change. In the event of public closure, or a change in our policies, no refunds will be issued.
