- **Parking options:** Please plan to arrive in plenty of time to find parking.

We have an agreement with Shoppers Drug Mart (on the corner of Almon and Robie St.) that allows our patients to park in their lot. Please feel free to park anywhere. Synergy is just a couple minute walk south on Robie St.

We also have two small parking spots at the rear of the studio. You can reach this parking area by turning off Robie St. onto St. Albans Street, and then turn right down the alley marked “St. Alban’s, GATE 1” (drive between the pillars). Follow the alley around to the rear of our studio, and you'll see our marked signs in front of the wheelchair ramp. Please use our front door Robie St. entrance, unless previously arranged.

Alternatively, there is street parking available, bicycle posts, and we are also on a major bus route.

- **A note about accessibility:** We do not have an elevator in our building. There are 5 steps to the main floor of our clinic. We also have three treatment rooms located on our newly renovated second floor, which is an additional 15 steps. We do have an accessible ramp at the rear of the studio. Please let us know when booking your appointment if you require a ground floor treatment room as well as access to our accessible entrance so we can ensure it is open.
